

Position Title: Equipment Operator
Location: Coaldale and area

About Ground Breakers:

Ground Breakers Construction is a locally owned and family operated company, founded in 2006. We provide asphalt paving, underground construction, and earthworks to Southern Alberta and surrounding areas. We also offer retail sales of landscaping rock and other rock product.

Our mission is to maintain the highest level of quality construction services at a reasonable price. We strive to maintain the highest level of professionalism, integrity, and fairness in our relationships with our customers, suppliers and employees.

Role Overview:

We are looking for a variety of equipment operators including excavator, dozer, scraper, loader and skid steer operators to help on our Earthworks, Base and Underground crews.

Key Responsibilities:

- Complete pre-trip inspection and grease equipment, daily
- Maintain equipment and report defects to foreman
- Ability to operate equipment in a safe manner
- Ability to put projects to design and on time
- Excavate subgrade and place gravel to grade

Qualifications:

- Competent operator with 2+ years of experience
- GPS experience is an asset
- Critical thinking skills to be able to work in a safe manner
- Ability to work independently with minimal supervision
- Communicate effectively in English following written and verbal instructions
- Ability to prioritize tasks
- Class 5 license with reliable transportation
- Ground Disturbance level 2 is an asset
- Ability to lift up to 50lbs
- Cell phone with ability to run B2W apps

What we Offer:

- Opportunities for advancement
- Competitive compensation
- Work/Life Balance with most weekends off
- Health and dental benefits

How to Apply:

Forward all resumes to hr@groundbreakers.com. We would like to thank all those that apply, however only those candidates selected for an interview will be contacted.
